## Montenegro [Citizenship by Investment Program]

Montenegro is a sovereign country located in Southeastern part of Europe – on Balkan peninsula.

With magnificent Adriatic Coast, amazing Lakes, 5 National Parks and gorgeous Mountains, this small, but extremely beautiful country is bordered by Albania, Kosovo, Serbia, Bosnia and Croatia. Podgorica is Montenegro Capital City, while Cetinje is proclaimed like a Royal Capital City. Just couple of hours with flight from all main European centres, Montenegro is located in the perfect spot.

Tourism is main industry in Montenegro, and last couple of years, Montenegro is always selected in Top World Tourist Destination (especially Kotor). With population of 670K, very proud of the rich history and tradition, Montenegro primarily offers exceptional cordiality and hospitality.

At the present time, it is important to point out, that Montenegro is a very safe destination around the world.

### [Program Benefits]

The program will start accepting applications shortly. As demand for Montenegro is considerable, only the first 100 pre-enrolment requests will get guaranteed places within the quota of 2,000 applications. Remainder of quota will be on first come, first serve basis. Program will close as soon as the quota has been reached.

Fast Track application:  
6 months

Dual Citizenship  
Allowed

No min. physical  
stay prior, during or  
after Citizenship

Family members included  
and transferable  
to descendants

Montenegro is a  
Prospective EU  
member state

Visa free travel to 123 Countries,  
including Schengen Area,  
Russia, Brazil and Turkey

## About the Program:

The Montenegro Economic Citizenship Program (MECP), also known as the “Special Investment Scheme” was launched in 2018 and it allows investors the opportunity to obtain the citizenship of Montenegro in exchange for investment in the country. The Montenegro programme requires applicants to make a contribution to the government as well as to invest in government approved projects. Applicants and their family members will also be subject to a due diligence process before being able to acquire the citizenship of Montenegro.

The Montenegro Citizenship by Investment Program will be open only for 2,000 applicants from only non-EU countries for a limit period of three years only.

## Advantages:

- Visa free travel to 123 Countries, including Schengen Area, Russia, Brazil and Turkey
- Fast Track application: 6 months
- No minimum physical stay prior, during or after Citizenship
- Dual Citizenship Allowed
- Family members included and transferable to descendants
- Montenegro is a Prospective EU member state

## Montenegro Residency Acquisition Process

### Talk to Immigration advisors

Our specialist immigration advisors will evaluate your personal circumstances and assist you in selecting investment options most suitable to you, matching the requirements with the application criteria, to ensure successful application.

### Visit Montenegro to view Government approved development projects

Based on your requirements we will carefully select the most suitable projects for you and arrange direct viewings in Montenegro.

We are here to guide you through the purchasing process of the property or other investment options, providing impartial advice for your benefit. We engage with our group lawyers acting on your behalf, assisting you in your purchase and ensure that your property acquisition will be handled correctly.

We recommend planning for a 2 to 5 day visit

### Prepare & submit Citizenship application

Our immigration specialists and lawyers will evaluate all documents with due diligence and care and submit your citizenship application for preliminary approval.

### Receive a Principle approval

Once you receive a Principle approval of your application you need to complete Contribution to Government Fund.

### Acquire a Montenegro Passport in 180 days

In just approximately 180 days, you can become a Montenegro citizen and enjoy all the freedoms that EU citizenship offers, including visa free travel to 123 countries worldwide.
